I. Introduction

God created everything from the very beginning since ages. We could see land, water, sky and everything there lies upon it. God special creation is mankind and he placed the first man Adam in the Eden Garden and gave him power to control all othersⁱ creation on earth and sea. In the Holy Bible we had experienced the saving and loving plan of God to set us free from eternal damnation in burning hell. Jesus had accomplished his mission by undergoing suffering and death on the cross to forgive the sins of the world. The risen lord after three days reveals his majesty and divinity. Had Jesus not to be risen again there would have been no existence of God but Jesus indeed rose again on the third day as he foretold about his body as temple. Jesus said that he will destroy Jerusalem temple and rebuilt it again after three days is aⁱⁱ metaphor of his death and resurrection. When he was on earth all his healing and restoring life to the death like Lazarus signify his divinity and majesty once for all. Jesus was filled with holy spirits since his birth at the cowshed. The revelation about himself by Jesus is I am the way the truth and the life, I am in the father and the father is in me. No one comes to the father except through me. Which imply God both as father and son for the sinners. People do know the truth about the existence of Jesus Christ as God is rejected flatly by some people. Because of which this write up on the basis of Holy Bible about Jesus who is calledⁱⁱⁱ Immanuel is Jesus himself. Jesus hide himself as the only God by acting as the son of God for people who are sinful and have no knowledge about God. Even if he says I am he the only one God people of his time will never accept him for they considered Jesus a carpenter son. But he at times reflects on his supremacy and creator of the universe. Those statement where I am the living^{iv} bread that comes down from heaven, I am the living Water, I am the vine you are the branches, he who see me see the father and ten commandment says I am the lord thy God thou shall not have strange God before me, thou shall not use the name of God in vain. In the Holy Bible the word Lord mentioned as the highest number of times this is none other than Holy, Holy, Holy Lord God Almighty Jesus Christ himself. Jesus was the God of Abraham Isaac and Jacob. He said before Abraham was, I answering to Samaritan woman in Abraham well. So, there shall be no doubt on the existence of God. God is Omnipresent, Omniscient and omnipotent. Jesus Christ is same yesterday today and tomorrow^v forever and ever. Every tongue that Confesses Jesus Christ is God will have salvation and needs to love others as Jesus had loved us. As a newborn Christians we had to live by faith and action together with^{vi} faith, hope and love.

The power and majesty of God revealed in the Holy Bible through prophets.

Joseph and Mary who became the parent of God is Heavenly soils and are not merely human being. Both of them were highly blessed by God and found favors in the eye of God for innocent and purity and holiness of mother Mary and so do Joseph was a God-fearing man. Jesus humble himself to death for the redemption and atonement for the sins of the peoples of this world. By his suffering death and resurrection, he gets back the status of greatest from the humbleness and meekness and becomes a God for judgement of the righteous and the unrighteous. The angels in heaven glorifying by singing^{vii} 'Glory to God in the highest' God indeed took six days for all his creation and rested in seven days and make it holy and relaxing. God however created day and night, Dome and Sky, Earth and Sea, all kinds of plants, the sun and the moon, many kinds of living beings and birds of the air. Lastly God created human being Adam in his own image and likeness and gave him power to rule over his all creations. God sent Moses an Israelite prophet, law giver and leader chosen by God to deliver Israel from captivity and slavery of Egyptians to live in a promised land flowing with milk and honey.^{viii} The ten commandments were also given at Mount Sinai for the people of Israel. At the times of Sodom and Gomora people were so sinful and that force sex and sex scandals, violent, killing, torture and no one knows about God anymore. There were only one family who was righteous in the eye of God. The only Lot's family. So, God destroy the cities with Sulphur rain. According to Noah peoples all over the planet earth have no place for God in their hearts and in their daily life's. the societies were fills with lies, corruption, dishonoring and offending God people obstinately goes against the principles of God. The suffering and sins of the people infuriate God anger in order to bring flood and destroy all living being and it was done.

In the times of prophet Elijah, many miracles work were performed by God for those who lived in the northern kingdom of Israel during the reign of king Ahab at 9th century B.C. Elijah defends the worship of the

Hebrew deity ^{ix}Yahweh (Jesus himself) over that of the Canaanite deity Baal. God performed miracles through prophet Elijah such as resurrection, healing of all kinds of sickness, bringing fire down from the sky and ascended his soul to heaven. People said that he was taken body and soul to heaven was wrong. He was killed by angel on the way to heaven. Prophet Elisha a student and follower of prophet Elijah received a double fold portion of Elijah power. He is accepted by people as the leader of the sons of the prophets. ^xElisha performed twice miracle as many as Elijah. Even Allah, Krishna, Buddha etc. were prophets sent by God to do his will but they themselves projected to be God themselves making God to be many in numbers. These discussions were in tune with the supremacy of God through ages, God sent representatives to gain people towards him for he is the origin of all living and all nonliving. And he loves his creations to endure under his wing of commandment and love to let them gain salvation of human soul which belong to God. Only holy and righteous peoples can partake in the ^{xi}kingdom of God for Jesus is Holy indeed.

The divinity of Jesus revealed

Jesus and his disciples were on a boat. Suddenly, a fierce storm hit the lake and the boat was about to capsize. But Jesus was sleeping at that point of time. The disciple went to him and work him up saying we are about to perish save us Lord. Then Jesus ^{xii}rebuked the winds and the waves to stop and there was a great calm. The follower of John the Baptist said to Jesus we and the Pharisees fast often but why are your disciples don't fast at all. Jesus replied how can the wedding guest be sad when the bridegroom is with them. But the day will come when the bridegroom will be taken away from them and then, ^{xiii}they will fast. One day Jesus sent twelve men with proper instructions. Do not go to any gentile territory or any Samaritan towns. Instead, you are to go to the lost sheep of Israel. Go and tell them that the kingdom of heaven is near and at hand. Heal the sick, bring the death back to life, heal those who suffer from dreaded skin diseases and drive out demons. You have received without paying, so give without being paid. Do not carry any gold, silver or copper money in your pockets, do not carry a beggar's bag for the journey or an extra shirt or shoes or a stick. ^{xiv}A worker should be given what he needs. Abraham and Sarah bore a son Isaac when they were at ripe old age because they fear God and excel in their humbleness, meekness and kind hearted towards peoples around them. One day three angels in disguised of traveler seek shelter, food and lodging to Abraham and Abraham gave them the best hospitality ever therefore his wife Sarah was blessed with a baby boy in their old age. When the boy grew up God tested the loyalty and faith of Abraham to sacrifice his only son Isaac. So, he took a knife and few pieces of firewood and rope and went forth to sacrifice on mount Moriah when everything is set, Abraham raised his hand to killed but God voice instructed him ^{xv}Abraham now I know that you really love me do not lay your hand upon the child but turn back the sheep is in the thorn bush get it and sacrifice for me. So, it was done. Don't we feel that God exist, God is real and he keeps in touch with his loving people through religious workers like priests, pastor and prophets etc. God in his mercy continues to do miracle in Eucharistic celebration, in all prayers and worship of his greatness with fervent love care and affection to whichever he wants. In Catholics, all saints and stigmata are a symbol of God miracle to transform people around the world to call upon him. The Prophet Jonah was asked by God to go to Nineveh but Jonah refused flatly as a consequence ^{xvi}Jonah had to stay 3 days in the belly of a big fish after which he repented and does the work of God. Daniel and his companion refused to worship the golden image made by king Nebuchadnezzar an idolatry form of worship. So, they were put in the den of lion but God forbade them and also put in burning bonfire and God save them too. In the holy Bible three death people were restored to life from death viz. Lazarus, Tabitha and widow's son people of his times were surprised and huge crowd of people used to follow him to hear about the kingdom of God. we witness feeding of multitude to 5000 and 4000 thousand with barely five loaves of bread and two fish. And also gather left over twelve baskets at Northern Galilee. In the second episode seven loaves of bread and a few small fish and gathered up seven baskets leftover which took place in the regions of the ^{xvii}Decapolis a more gentile populated area. As we know the story of Paul

On the way to Damascus, he was struck down because of his damn execution to Christianity so Jesus encountered him and made him an apostolic, anointing done by prophet Ananias. God the judge is mentioned in the Holy Bible God said, "I will judge with fairness though every living creature tremble and the earth itself be shaken. I will keep its foundations firm. It is God who is the judge, condemning some and acquitting others [Psalm 75: 1:8]. God warn us whom to fear God said do not be afraid of people who can killed body and not soul but be afraid of God who can killed both body and Soul together. [Mathew 10:26-30]. God gives an invitation to each one of us to come and rest in him when troubles and bad times beset upon us. He said, 'come to me, all of you who are tired from carrying heavy loads and I will give you rest. Take my yoke and put it on you and learn from me because I am gentle and humble in spirit and you will find rest. Jesus said a parable on account of heaven that is the kingdom of heaven is like this. A man takes a mustard seed and sow it in his field. It is the smallest of all seeds but when it grows up, it is the ^{xviii}biggest of all plants. It becomes a tree so that birds come and make their nests in its branches. Every little goods deed that we do each day can take us our soul to God. No one so far does not walk upon water except Jesus and peter his disciple. Which means he is truly living water for water itself become a highway for Jesus. How strong is the woman's faith in Jesus a ^{xix}Canaanite woman asked Jesus to heal her daughter who possess a demon and is in a terrible condition, Jesus told her it is not right to take the children's

food and throws it to the dogs. The woman answer it is true but even the dogs eat the leftovers that fall from their masters' table. Because of her great faith Jesus cured her daughter at that very moment. No one can save us from the torment of hell only the Lord of the harvest will for those whom he please. Mathew 7:13-14 speaks about the prevalent of hell. It is written 'Go in through the narrow gate, because the gate to hell is wide and the road that leads to it is easy, and there are many who travel into it. But the gate to life is narrow and the way to it is hard, and there are few people who find it. That is why Jesus himself die for us so that we no longer take the wide roads meaning the greed, selfishness, adulterous life and murderer, thief and corruptions, drug addicts and intoxicants, rapists etc. are rampant and the wages for all these evils doer is burning Hell that many are unable to escape life after death is destined either to Heaven or Hell. The call to repentance is one condition to reach heaven. It is written come to the Lord and leave your sin behind. Pray sincerely that he will help you to live a better life. Return to the Highest and turn away from sin. Have an intense hatred for wickedness. Those who are alive can gives thanks to the Lord, but can anyone in the world of the dead who no longer exist, have no ways to give him thanks. The strategies to get into heaven 1. Acknowledge the greatness of God the Father. 2. Know that man is nothing in the eye of God. 3. Learn how to be kind and always know how to give charity 4. Self-examination is a must. 5. Self-control 6. To refrain from loose talk 7. Recognizing real wisdom. 8. Knowing when to talk. 9. Ask, Seek and Knock. It is mentioned publicly that he belongs to me, I will do the same for him before my father in heaven, but if anyone rejects me publicly, I will reject him before my father in heaven. People considered Jesus is the son and there is one father who is above him but I say now Jesus is God himself for God has no father He himself is the father and God. This is indeed a heaven sacred too but now it is open widely to worship Jesus as both father and son. For he said, whoever has seen me has seen the father. ^{xx}I am in the father and the father is in me this is about father union son either father or son. Jesus Christ is God himself only single and supreme God. The parable about the real Heaven 1. The parable of the wedding feast. 2. The tens Virgin parable 3. No one knows the day and the Hour of the Last Judgement it will come like a thief. 4. The final Judgement 5. The Resurrection of Jesus Christ 6. The parable of the Sower 7. The parable of the Tenants in the Vineyard.

II. CONCLUSION

This world is full of wolf and people with lips service and lips Christians. There is no morality, full of immoral acts, deceitfulness and people mind and thought are full of venoms, there are no holy peoples and all are holy thieves. what values is life on earth to live any longer if we are living to go to Hell but life at brief is very sweet for those people who are God fearing and having prophetic nature and characteristics. Let us love the lord our God with all our heart with all our might and with all our soul and love our neighbors as we love ourselves. The good deeds we do to those little people around us mean a lot for our soul helping the poor, the sick, the widow and the cripples etc. is what we are doing for the God whom we are praying. Learning to give without expecting anything is a Christian love and knowing how to give what belongs to God and take and live by what belongs to us. We must live on from honest dealing and corrupt less money. The hard earn money must be the living standard of the modernism. We must shun evils ways of accumulation wealth, property and assets by wrong means. For instance, many peoples used to own luxury car by killing the real owners and using as his own. People killed people instantly if found carrying plenty of money. The search for Jobs and to get job people used wrong means bribery, nepotism, sponsor of candidates, corrupt cults, embezzlement, fraud, extortion and political corruption. Sexualism and sex rackets, human trafficking, plan murderer, adulterous generation. The crimes like genocide, war crime and crimes against humanities, torture and enforced disappearances, drug trafficking, smuggling of migrants, Illicit trade in firearms. Cybercrimes etc. All these social evils must be dealt harshly with tooth and nails. Then we can dream of a better world and build heaven here on earth too. Let us stop telling lies for one lies lead to many lies. Now the time is ripe to take Jesus the good shepherd into our Christian life so that the gate to heaven is closed for us and the gate to heaven keeps widely opening for us. Let us seek the will of God from cradle up to the grave for salvation is in the mighty name of Jesus himself.
